

Rose for Recorder

—Ever Genial
—Ever Efficient

Running on His Record

A Veteran Republican—An Old Fighter in the Ranks—says: Billy Rose deserves to be made Recorder. I'm for the young men in politics. Let them have their turn. Rose is young, but he has made his business a success, and Hammond never had a better City Clerk. Let the young, efficient man of today get into office, then we'll get wide awake, virile officeholders, officeholders with some snap and pep in carrying out their duties.

"BILLIE" ROSE

Billy Rose Was the First Candidate to announce on Any Ticket for the May Primaries.

He has made a whirlwind campaign and has probably interviewed more voters than any other candidate.

His strength to the ticket is unquestioned. His business experience and public service record have convinced hundreds that he will make an ideal Recorder.

Hoosier Battlers Leave for Bouts in Southland

Two Indianapolis boxers, Jack Dillon and Patsy McMahon, will leave at noon today for Hot Springs where they will complete their training for several important bouts Manager Harter has arranged for them. Jack Dillon, who is said to be in great shape and able to do a "comeback," will meet Texas Tate at Little Rock, Ark., April 30. After this bout Jack will battle Young Fitzsimmons at Wichita Falls, Tex., on May 2. Patsy McMahon will fight Bobby Waugh at Fort Worth, Texas, May 3, and Jimmy Hamilton at Dallas May 5. Red Herring will be tackled at Memphis, May 9. According to Manager Harter both of his boxers are in fine trim and confident of taking the number of all of their opponents. Much interest is centered around the attempted "comeback" of Jack Dillon. Those who are in close touch with the once great battler are confident he is in as good shape as he was four years ago.
